

The Wave of Love Stage III - Attunements January 2008

Welcome to The Wave of Love - January 2008 Tele-Seminar Intensives

Blessings for joining together on The Wave of Love Journey – Stage III.

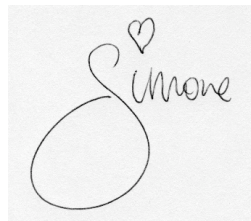

Thank you for joining us as participants / co-creators in bringing our world into alignment with Love, Peace and Unity as we head toward and beyond 2012.

It is our intent over the next 12 month period (January to December 2008) to work through each of our 12 energy centres (one per month) and awaken ourselves to our full magnificence, our Soul Purpose in this life, our full Divine Template (L.O.V.E).

When we align with L.O.V.E we hold the highest frequency of light our physical body can contain here on Earth. Then as we ground our awakened selves into Mother Earth, so too do we awaken others to their Soul Beauty. We give permission for others to simply be L.O.V.E. and consciously work together in creating a Heaven here on Earth.

We extend to you all our entire Love, Gratitude and Blessings. It is with *YOUR* dedication to personal growth and conscious application of Universal Laws that our intent will truly be made manifest here on Earth. Thank you blessed one, being the change.

Oceans of Love Waves,

How to Use this document:

Each month when you sign up for the Wave of Love Tele-Seminar Intensive, you will receive the current months 'WOW' (Words of Wisdom Document).

WOW is an outline of what will be covered during the Tele-Seminar with heaps of space provided for you to take notes during the seminar event. If you miss anything during the Tele-Seminar not to worry as you can listen to the recorded event over and over and update your notes accordingly. These notes make a great reference tool for further study/practice of all techniques covered.
